Vision

One idea

Ideas kept secret don't succeed. So share what you've got. The new 10" Aspire One is about the size of an average diary and weighs just over 1 kilo yet packs a stunning, 10.1" WSVGA CrystalBrite LED backlit LCD with 1024x600 resolution and integrated CrystalEye™ webcam, and comes pre-installed with Windows® XP Home Edition making it the perfect place for your ideas to take shape, no matter when or where they come to you. The 10" Aspire One is like your best idea. Beautiful. Simple. Perfect.

Power

One energy

When power is at the service of a vision, it is a true strength. The 10" Aspire One is powered by the Intel® Atom™ processor N270, built with the world's smallest transistors and designed specifically for incredibly low idle power consumption so that a 7-hour battery life** becomes a reality. True mobility is defined by the freedom it can offer. The 10" Aspire One delivers power, performance and all the freedom that comes with it.

Style

One look

Style is everywhere we look yet so hard to pin down. It is something we seek yet very often already possess. It has the power to ignite our imagination yet keeps our feet firmly on the ground. It is everything we want it to be. One look at the new 10" Aspire One is all you need to believe that style really can be captured.

Experience

One control

Having your world on the go energizes the explorer in you and sets you off on a journey of insight and inspiration. Control allows you to look deeply at your passions and discover new ones you never knew existed. With Windows® XP Home Edition preinstalled, the 10" Aspire One is designed to keep you productive, entertained and connected all the time. The 10" Aspire One is just the starting point. What happens next is up to you.

Feeling

One freedom

Freedom is the sensation that nothing can hold you back. It is the liberation from constraints, and independence from limitations. The 10" Aspire One uses WiFi, 3G Networks and WiMAX* to free your thoughts, your imagination, your words, anything you want, anywhere you like. Stand out, don't fit in. Make a statement. Live life loud.
